SUMMARY

Motivated Computer Science student with a strong interest in Web Development and Software Engineering. Skilled in C, C++, Java, HTML, Microsoft Excel, and currently learning Python & Django. Passionate about solving problems, building practical projects, and continuously improving technical and professional skills. Seeking an internship opportunity to apply my knowledge and gain real-world experience.

KEY ACHIEVEMENTS

Completed Microsoft Excel Training

Successfully completed Microsoft Excel training and developed practical skills in data organization, formulas, and spreadsheet management.

Self-Learning Web Development

Independently learned HTML and continuously expanding my web development skills through Python & Django training.

Professional Development Programs

Actively participated in multiple professional development programs organized by Innovative Skills Ltd to enhance technical and workplace skills.

Private Tutor

Currently teaching students of Classes 7–8, helping them improve their academic performance while strengthening my communication and mentoring skills.

SKILLS

Programming: C, C++, Java, Python, CSS

Web: HTML , Django (Learning)

Software: Microsoft Excel, Microsoft Word, Microsoft PowerPoint

Soft Skills: Problem Solving, Communication, Teamwork, Time Management, Leadership, Quick Learner

PROJECTS

Banking-management-system

Group Project

<https://github.com/Anish41230301902/Banking-management-system>

- Course: Software Development Lab 2(CSE 2291)
- University: Northern University Bangladesh
- Submitted to: Amir Labib Khan (Lecturer, CSE Department)

Railway Management System

Group Project

https://github.com/alaminshubo/Railway_Management_System

- Course: Software Development-I (CSE 1290)
- University: Northern University Bangladesh
- Submitted to: Jannat Rosul Nisha (Lecturer, CSE Department)

INTERESTS

Interests

- Web Development
- Software Engineering
- Problem Solving
- Learning New Technologies
